From the Editors

The Seniors proudly present our yearbook, the CHIEF. The desire of the Senior Class is to capture Bethel High School with its many faces and parts - school life, basketball games, activities, and the students. If in future years, this annual brings to mind fond memories, then our work will be fully rewarded.

JOHN FITZGERALD KENNEDY

A young man stood tall and strong with the purpose and vigor of youth and before him lay a course that was far from run. Yet, within an hour he lay cold and still in death. Against the world's horizon there is a vast space, empty and void, because his great image is no more.

In passing, time, the great healer, will erase the scars of November 22, 1963, but in the hearts of all true Americans there will always remain alive the memory of a gallant leader who urged his countrymen, "Ask not what your country can do for you, but ask what you can do for your country." And he, as their leader, made the supreme sacrifice: he gave his life.

On April 27, 1964, Mrs. Ruth Taylor Thomas, beloved third grade teacher for fifteen years in Bethel Elementary School, died.

Her death is greatly mourned by this, her last third grade, as well as all of her former students.

We remember her as a dedicated and inspired teacher and an unflinching friend. In her death, we have a sense of irreparable loss.
